**Re: Application of American Airlines for Exemption Authority and Frequencies
(Docket DOT-OST-2022-0073)**

Dear Mr. Taylor and Mr. Kruger:

We have polled the U.S. air carrier representatives served with the above-referenced Application, filed on June 28, 2022, and there are no objections to the Application.

Accordingly, American Airlines respectfully requests that the Department expeditiously grant the requested exemption authority and, to the extent necessary, frequencies.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Garg".
